SuperSearch is a broadcast service for golf clubs and courses that are seeking the services of a golf course professional. It provides CGSA members with a value-added member service.

CGSA recently announced members will receive complimentary SuperSearch job postings until October 31, 2020. As a member, SuperSearch will be free for members; that is a savings of \$425/posting. Visit our new website to join, renew your membership, learn about all the other member benefits and if you have a position come up at your golf course or company, go www.golfsupers.com then **Find a Job**, login with your password and Submit a Job and complete the information.

When you get to the checkout there is a field that asks if they have a promo code, this is where you enter **job2020** there and complete checkout.

All job postings must be approved by CGSA before going live.

If you have any questions, please contact Lori Micucci, ext. 27 or lmicucci@golfsupers.com.
