

CGSA 2019-2020 Membership Renewal Invoices have been Sent

CGSA membership renewal invoices have now been sent out and you should have received yours by now. If you didn't receive yours, please contact [Lori Micucci](#) at ext. 27.

To better serve the diverse preferences of superintendents and **related** stakeholders, CGSA redefined their membership benefits into three options: **Essential**, **Premium** and the **Ultimate** Benefit package.

All current members were invoiced at the **Essential** Benefit rate which includes the opportunity to participate in CGSA's events at member rates, receive our publications and participate in the Golfmax Purchasing Program. There are currently 14 suppliers in this program who provide CGSA members with a wide range of products and services at huge discounts. With Toro being added as a supplier and more to come in 2019, all members can save thousands of dollars and many have told us they recovered the cost of their membership dues through the savings of just one supplier! For a listing of all suppliers/savings please click [here](#).

The **Premium** and **Ultimate** packages were introduced to offer those members who want more from their CGSA member benefits. *(Please [click here](#) to take a look at the full benefits of each package).* As you will see if you are a Superintendent and upgrade to the **Ultimate** Benefit Option your Assistant and Equipment Technicians dues are half price! This is just in addition to all the other benefits and savings offered in the **Premium** and **Essential** benefit options. Memberperks is another great benefit that is included in both the upgraded packages. The CGSA partnered with Venngo to offer a personal benefit in the upgraded packages called **memberperks**. Venngo is North America's largest provider of private discount programs. The average user can save **\$1,000 or more** in this program alone. Examples of savings are: movie, sporting and concert tickets through **Tickets at Work**, car rental of 25% through Budget, restaurant discounts at your favourite restaurants, clothing discounts to bigger savings like home and auto insurance through **the Co-operators (huge savings)** as well as savings of 50% off a gym membership. These are just some of the savings our members have taken advantage of. They add more discounts throughout the year, to see some of the discounts added in May just in time for Mother's Day, click [here](#).
