

NEW: CGSA members receive 10% rebate on pre-tax invoice, up to a maximum rebate of \$10,000.

Golf Pro Netting has been specializing in netting applications for clients throughout Canada, the United States and the Caribbean.

Using industry leading products manufactured primarily in Canada, Golf Pro Netting can scale the project to fit both your needs and budget while keeping projects on-time.

Professionally installed netting can significantly reduce liability and operational costs for any course or range.
