"You will never be totally satisfied by work, until you are totally satisfied by life". Be passionate and fully invested in what you do for a living, but also be just as passionate and invested in what you do outside of work, whether it be with your family, friends or hobbies. Creating a good work life balance will make you and anyone that you employee better!

COURSE NAME
D'Arcy Ranch Golf Club

D'Arcy Ranch Golf Club is an 18 hole, Par 72, Championship Golf Course located on the outskirts of Okotoks, AB. Opening for play in 1991, it was designed with a balance that maintains harmony with the tree-lined ravine, escarpments, slopes and water. A style and presence of national stature with unending challenges.

This is my 13th season at D'Arcy Ranch Golf Club, the last 7 in the role of Course Superintendent. I have spent 27 years working in the Industry, and have been a CGSA member for 21.

Create a positive, supportive and enjoyable working environment for you and your staff. Come to work each day with a positive attitude and watch it trickle down to the employees and then out on to the golf course.

Everyday offers new challenges. In this industry, it is rare that the challenges of one day are the same as the next. The constant change and problem solving are what keeps me coming back. That, and working with and mentoring great people!
