

Recruit Your Assistant Today!

Thank you to every CGSA member who recently renewed their 2021-2022 membership. We appreciate your continued support. As this season gets underway, we are wondering if you've considered membership for any of your key staff members, in particular your Assistant? We know that you count on them for many tasks throughout the day so why not share the professional development and recognition that comes with being a part of the CGSA?

Help to make CGSA's voice stronger by sharing membership with your Assistant today! There are numerous benefits for your assistant including professional development opportunities, designation program and awards; including the CGSA/Toro Assistant Superintendent of the Year Award.

Simply have your Assistant complete this [form](#) or join online by July 1, 2021. Include your name on the application and in return you will be entered into a draw for a CGSA prize pack.

For those who haven't renewed their membership yet, your membership expires on June 30th, and you can renew now, by clicking [here](#)!
