

CGSA is introducing the Summer Shamble to members across the country and we would be excited to partner with you. We have several options available, each offering various benefits and opportunities for brand visibility. Some potential options include:

1. **Sunset Patio Meet and Greet - \$5,000.** Greet golfers as they arrive for the tournament in an informal beautiful setting
2. **Beverage on course - \$2,500** – includes logo on all event signage, signage on beverage carts and/or tickets and recognition in GreenMatter
3. **Tee signs - \$399** – prominent signage on one or more holes on the course, recognition on all event signage, recognition during the kitchen party and in GreenMatter. Consider having a staff member on the hole to greet the golfers
4. **Gift Bag - \$1,500** – sponsorship of gift bags for tournament participants, featuring your company logo on the bags and inclusion of promotional materials or samples. (does not include the cost of the gift).

These are just a few examples of the sponsorship opportunities available for the CGSA Summer Shamble. We are also open to discussing customized sponsorship packages tailored to suit your marketing objectives and budget.

Please don't hesitate to contact me with any questions or suggestions. We would be thrilled to have you partner with us during this inaugural tournament.
