

The Canadian Golf Superintendents Association (CGSA) is excited to announce the launch of our new redesigned website this week. **You should have received a personal email asking you to take a moment to log in and update your profile.**

The new site will allow you to easily update your contact details, appear in member directories, renew your membership as well as register for events, track your continuing education credits, post-employment opportunities and much more. We think you will find it easy to navigate and user friendly.

There are a few important notes below and areas we asked you to complete in your Profile.

- The first thing you will notice is you have a **NEW Membership Number**. This will be your new number going forward and you will receive a membership card with your new membership number on it after you have renewed your 2020-2021 membership dues.
- This year we are invoicing your **Membership Dues Taxes by the Province you work in**. In order for you to be invoiced the proper amount, we asked that you please go to **My Profile** then **UPDATE PROFILE** and **select your province** under **Province of Employment** and then you will be taxed the amount your province charges e.g. Ontario members are taxed 13%; Alberta 5%.
- For you to appear in the **CGSA Membership Directory**, please login and go to **My Profile** then **UPDATE PROFILE** and under **PRIVACY INFORMATION** Who can view your profile? select **“members only”**. You can add more addresses to your profile if you have preference of who can see your information or if your home is your preferred choice for mailing our magazine GreenMaster then you want to add a new address card and select **mailing** under **Type** and **Administrators** under Privacy (determines who can view this information. In order to see how to do this, please click [here](#). Note: If your preferred email and cell number are your personal ones, then you must check the **Who can view my profile** in each Address Card including your work and that email and/or cell number will show up in our Membership Directory for members to view.

If you have registered for a CGSA event in the past five years such as The Canadian Golf Course Management Conference or Fall Field Day that history of your registration has been automatically transferred to your new profile. When events are added going forward, you will receive information about registering and modifying registrations.

If you experience any difficulty, have any suggestions for improvement to the content, or have any questions, please send me an email at [lmicucci@golfsupers.com](mailto:lmicucci@golfsupers.com).

We hope you will enjoy our new look and features!
