

Rain Bird Corporation is a leading global manufacturer and provider of irrigation products and services headquartered in Azusa, California. Since the beginning, Rain Bird has produced and offered the industry's broadest range of irrigation products for farms, golf courses, sports arenas, commercial developments and homes in more than 130 countries around the world.

## EXCLUSIVE REBATES with Rain Bird

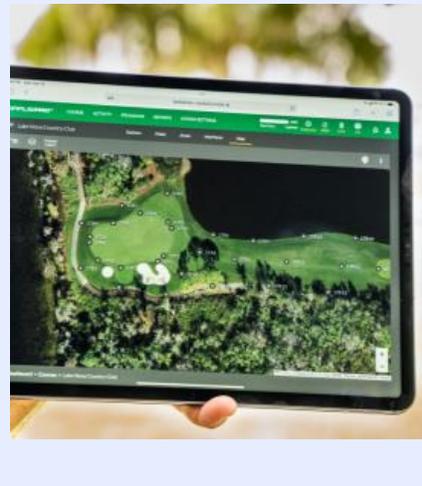

Recently launched, CGSA members now receive a **rebate of 1.5%** on Rain Bird Golf irrigation products. This includes the following golf irrigation product categories: Central Control Systems, Rotors and Swing Joints, Integrated Control System™, Field Control Systems, Valves and Valve Boxes, Pump Stations and Filters.

Rain Bird's engineering, marketing, manufacturing, and sales teams have worked together to develop innovative water-conserving products that include irrigation sprinklers, dripline, pumps, and timers/controllers. Today, they offer over 4,000 water-saving irrigation products and services with offices and manufacturing facilities around the world.

Their commitment to **The Intelligent Use of Water™** shows not only in their high-quality products but also through their expert water management professionals who share their passion for water conservation. They provide education, training, and services for the industry while creating long-term, responsible partnerships with our customers.

Rain Bird's **commitment to customer service** is unsurpassed within the industry. Like their products, Rain Bird customer service is designed to exceed expectations. When you call with questions about orders or new products, you get the support you need from the top water management professionals in the industry.

Their **comprehensive trade warranties** make it even easier to choose Rain Bird. Most Rain Bird Landscape

Irrigation products are warranted to the trade for a period of either three or five years from the date of original purchase.

CGSA members receive a **rebate of 1.5%** on Rain Bird Golf irrigation products. Members must complete the [online claim form](#) and include purchase invoices from a Rain Bird authorized Canadian Golf distributor.
