2) Prague Rock Czech Dark Lager (ABV 4.8%)

A great summertime dark beer, Prague Rock is a Czech Dark Lager with roasted malt flavor and tastes of dates, toffee, milk chocolate and bread crust. A play on words... to Bainbridge's famous Frog Rock.

3) Kommuter Kolsch (ABV 5%)

Our award-winning and very refreshing German-Style Kolsch Ale. It's crisp and clean, clear and malty. Perfect for a sunny day.

Bent Bine Brew Co.-Belfair

1) NuBine Pale Ale (ABV 5.3% / IBU 38)

A crisp Pale Ale with a bright hoppy character provided by Equinot, Amarillo and Citra hops balanced with the awesome refreshing Pilot Pale and Pilsner malts. Being that it is on the high end of IBU for a pale it will also serve the IPA lover looking for something slightly lower in ABV but still wanting plenty of flavor to satisfy the thirsty palette.

2) Hopnanagans IPA Summer Edition (ABV 6.4% / IBU 67)

This "light" version of an old favorite will not disappoint. We have trimmed the ABV's a little but left all of the flavor. It is loaded with fresh Simcoe, Cascade and Citra hops and Dry Hopped with Mosaic hops.

2) Cheeky Gnome Sour Cherry Dubbel (ABV 7% / IBU 20)

We soured our standard Belgian dubbel as a base beer, then added 42 pounds of dark cherry puree for a big hit of cherry flavor and aroma. Tart and lively on the tongue, with complex dried fruit flavors mingling with dark caramel malts.

3) Bard's Beard Barleywine (ABV 9.2% / IBU 53)

Strong and intense; simple in its crafting yet complex in flavor. A longer than normal boil and the increased sugars in the boil creates a complexity of malt flavors from the simple grain bill. A slow and cool ferment keeps the development of harsh or "hot" alcoholic flavors to a minimum. After sufficient time in the "cellar" the end result is a well balanced beer whose smooth profile hides the strong punch this beer packs. With it's full mouthfeel, you are encouraged to sip this rare delicacy - preferably in front of a fire and/or surrounded by loved ones.

4) Mad Emperor Imperial Stout (ABV 11.5% / IBU 35)

Strong and intense; not for the faint of heart. We spared no expense (or trouble) to make this one. Starting with a base of English Floor Malt (Maris Otter) we included flaked oats for body, crystal/caramel malts for sweetness, and two dark malts for a roasty flavor and that signature color. After slow and cool fermentation to prevent harsh alcoholic flavors, we added 10 pounds of freshly roasted cacao nibs and 10 madagascar vanilla beans. A long and cold cellaring allows the flavors to mingle and meld over time yielding a rich and decadent flavor. A beer of rare elegance, suitable long term aging, or immediate consumption - your call!

5) Otto Lang's Pilsner (ABV 5.3% / IBU 35)

A fine example of a Bohemian lager made with German malts and Czechoslovakian hops. This full-bodied lager is crisp, complex, and well-rounded.

6) Erin's Dream Coconut Porter (ABV 5.5% / IBU 32)

Dark and mysterious, with a hint of nutty coconut on the nose. A robust porter melded with tons of in-house toasted coconut to create a a luxurious beer that drinks like an Almond Joy.

Lovingly brewed with six different malts for some dark, roasty, full-bodied goodness, this beer is so named for the ceremonial "Royal Baby" to whom the Slimy Polywogs (wogs) pay homage at the end of a ship's "crossing the line" ceremony (when a ship crosses the equator).

4) LIBERTY FOR THE BRAVE PNW IPA (ABV 7.3% / IBU 65)

The latest variant of our original Liberty Call IPA-- this one is the biggest and bravest yet! Hopped with Cryo Columbus, Centennial and Cascade goodness, it packs quite a hop punch. We named this beer in honor of those Sailors who, though they may have a big worklist and duty the next day, can't help but duck out on Liberty and ask for forgiveness & face the consequences later (: CHEERS to LIFE, LIBERTY and the PURSUIT of HOPPINESS!
