  2. New Applicants
- **Q & A**
End homelessness for all persons

Create a systemic response to homelessness

Strategically allocate and use resources

Focus on evidence-based interventions

Increase employment

Flexibility for Housing First with service participation requirements
2019 NOFA OVERVIEW- GOALS OF A COC

× Improve coordination and integration with mainstream resources and other programs targeted to people experiencing homelessness

× Improve data collection and performance measurement

× Allow each community to tailor its program to the particular strengths and challenges within that community
2019 LOCAL PRIORITIES

× Improved data collection, reporting, and analysis

× Increased emphasis on system-level performance and data-driven decision-making

× Increased support of projects which improve system performance

× Increased system flow through funding projects with the flexibility to meet the needs of a dynamic homeless response
Committees and work groups are hard at work to more closely align the CoC with its goal of improved system performance.

For the 2019 competition, the CoC will prioritize funding those projects which demonstrate the ability to improve system performance in target areas:

- Serving the Most Vulnerable
- Decreased length of time Homeless
- Increased Income
- Exits to Permanent Housing
- Long-term Housing Stability
