

Volunteers needed for motor vehicle accident survey!

If you are a person over 18 years of age who has sought medical treatment following a motor vehicle accident, we would appreciate your participation in a survey. We wish to record your experiences navigating medical, legal, administrative, and insurance systems related to your treatment.

Are you eligible?

- Over 18
- Have been in a motor vehicle accident
- Have sought or received treatment
- Are able to complete a 15 minute online survey (you may seek assistance from a caregiver if needed)

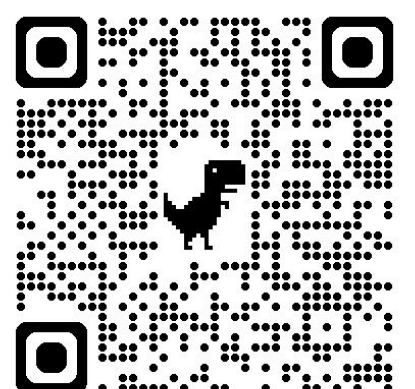

Incentive

You may choose to enter a draw to win one of 30 \$100 EverythingCard gift cards

Principal Investigator

Dr. Nathaniel Barr
Professor of Creativity and Creative Thinking
Faculty of Humanities and Social Science
