# ROCHESTER on the UNDERGROUND RAILROAD

SUNDAY, MAY 22

Rochester was a very important place on the Underground Railroad~ the network of routes, places, and people that helped enslaved people in the American South escape to the North and Canada in the mid-19th century.

During this session, youth will learn about the Underground Railroad and the importance of Rochester to the Railroad, through activities in the City of Rochester's Maplewood Park~ a sacred stop on the Railroad.
