

# HELP US IMPROVE OUR SCHOOLS

## Attend public hearings on “Receivership” and school improvement plans.

Under New York State law, Receivership schools must make significant gains in student achievement. If the school fails to meet State targets, an outside receiver will be appointed to take over these schools.

The public hearing sessions below will provide an opportunity to review draft improvement plans and discuss ways our community can work together for positive change.

Please join us for one of the sessions below.

### All public hearings will be held at each school’s site.

School	Date	Time	Translations Provided
