

Stephanie McNair Named Manager of the Year for William Pitt Sotheby's International Realty

Great Barrington, Mass. — William Pitt Sotheby's International Realty today announced that Stephanie McNair, manager of the Berkshire brokerages of William Pitt International Realty, has been named the company's 2022 Manager of the Year. Chosen from among 17 managers company-wide, McNair earned the award in her first year in the role, which entails overseeing 36 agents and staff in the firm's Lenox and Great Barrington offices. It is also the first time in the firm's history that a Massachusetts brokerage manager has received the accolade.

"I am proud to announce Stephanie McNair as our Manager of the Year, an honor well deserved," said Paul Breunich, Chairman and Chief Executive Officer of William Pitt Sotheby's International Realty. "Her skillful approach to coaching and mentoring agents, engaging in business development efforts throughout the community while demonstrating an ability to bring a human touch to management, has enabled her to offer unparalleled support to her agents. This, in turn, enables our brokerages to provide the highest level of service to buyers and sellers, as well as target high net-worth clients."

William Pitt-Julia B. Fee Sotheby's International Realty is a \$7 billion company and the 4th largest Sotheby's International Realty® affiliate in the world. The Berkshire brokerages have occupied the #1 dollar volume position in the Berkshire County market since 2017.

Since she assumed her current role in May 2022, McNair has increased the firm's community and charitable involvement and recruited top-performing agents. She currently serves on the board of the Berkshire County Board of Realtors, making a contribution to the professional community and building ties with other firms. McNair has bold goals for 2023, which include continuing to elevate the brand's success in the neighboring regions of upstate New York and Pioneer Valley in Massachusetts.

"I am honored and humbled to be selected Manager of the Year. I couldn't have achieved this without my top-notch support staff and our best-in-class agents," McNair said. "Our clients benefit from having the global support and professionalism that all of our Berkshires agents possess."
