BIG ELM Brewing

get back to your roots

Our Mission – Big Elm Brewing is dedicated to making the best possible beer and to be a valuable partner in our community.

Our Background – Big Elm Brewing opened in 2012 in the bucolic town of Sheffield in Southern Berkshire County. Owners Bill & Christine Heaton have over 35 years combined in the craft brewing industry. Christine is one of a few female brew masters in the country.

Our Blueprint for Success – Big Elm is focused on crafting fun and exciting beers for our thirsty customers. The art and creativity of brewing beer, marketing beer, and promoting our business never gets dull. We truly love what we do.
