

Join us at Pacific Elementary's 2018

NIGHT

Wednesday, April 18th from 5-8 p.m.

K-5 Science Lab and Makerspace projects will ALSO be on display throughout Pacific's Campus!

Don't miss the interactive experiments and exhibits!

Create an egg drop device

Learn about animals from land and sea

Explore electricity, robotics, and chemistry

Design bridges, marble runs, parachutes, and more

Launch a rocket

You can come hungry, too!

Fresh Brothers and In N' Out Burger will be parked at the Zone

Concessions will be sold by the 5th graders

Purchase food tickets at the tables outside the office and by the kindergarten ramp
