On Campus Out-of-Dress Code Guidelines

We are excited to have a change in dress code during the time we are required to wear masks.

- **Shirts:**
 - Boys and girls are not to wear tank tops, all shirts must have sleeves.
 - Blouses and other shirts must provide adequate coverage by length.
 - Any student wearing T-shirts with pictures must be sure the shirt is not contrary to our Christian Testimony.
- **Pants/Skirts/Shorts**
 - Shorts/Skirt length must extend past the fingertips when the student's arms are fully extended at their side.
 - Student wearing pants must not have holes in the jeans/pants/shorts or skirts. Students may not wear yoga pants or leggings as the primary leg covering. They may be worn under skirts and shorts.
- **Shoes**
 - Elementary students must wear tennis or athletic style shoes. Students do not change for PE.

<p>When choosing an out-of-dress code outfit, we ask that you consider modesty is the general rule.</p>
