

Why Pikmykid?

This program allows you to notify the school of pickup changes or authorize other family members to pick-up child from school and manage carpool with other parents at school. Pikmykid will be used to send alerts when your child has been picked up or sent home on the bus

Our Objective

Using the digital process to manage dismissal increases the safety of student release, gives the teacher more time with the students, and helps parents stay informed on all dismissal activities

What are my next steps?

Once you have downloaded the PikMyKid phone app, you will press the “Sign Up” button and fill out the form.

After you press submit, you will be sent an OTP code by text message. Please enter this code into the next screen. This will complete your registration process!

Here to Help

Once registered, the application should show your children names in the home screen. If your child does not appear in your app’s home page, please email support@pikmykid.com

Download the app from your smartphone's app store for free and get registered!
