By signing this agreement below, we the family agree to participate in full in both the preparation process (trip meetings and team building) and the financial commitment (both trip costs and extra costs such as passport, immunizations...etc.) for the above chosen trip. We understand that a non-refundable **\$300 deposit (for Rwanda, or Cambodia) or \$75 deposit (for Mexico) is due by October 26** in order to secure a spot for the NCS student named above. If the deposit is not made, it is possible that your spot will be given to the next person should there be a wait list.

We also agree that a “qualifying process” will be put in place in order to ensure the student going is adhering to NCS’s academic and Worldview Policy as laid out in the Student Handbook and School Doctrinal Statements. Should a discipline issue arise between the signing of this agreement and the trip date, the student’s spot could be forfeited without a refund of the deposit.

Lastly, we agree that the NCS student named above will participate in full with this year’s mission’s projects. The reason for this is to demonstrate the heart of these trips which is spreading the gospel in both word and deed both locally and abroad.

Through NCS's partnerships with CIY: Engage, you will learn about modern-day slavery and what is being done to alleviate this social injustice. The ministry in Cambodia is Rapha House, they work hard to provide aftercare and ensure the victims of oppression are equipped to rebuild their lives. During the experience, you will bring much needed spiritual and emotional encouragement to the Rapha House staff and girls living in the safe house through devotions, fun crafts and projects, and testimonies. Also while in Cambodia you will spend time in the capital city of Phnom Penh serving with the Rapha House Kids Club. Kids Club makes certain the less fortunate children in their neighborhoods receive the care they need (physical and spiritual). You will be challenged to think about holistic ministry, community development, and how every day choices affect others.

Students can serve based on their gifts: assisting in classrooms, teaching VBS, coaching sports clinics, leading worship at COJ Church, working on building projects and cultivating sustainable farming. Educational opportunities include a daily time of Bible training with Rwandan pastors and teachers, an African Safari, trip to the King's Palace, Kigali city center, and Rwanda Genocide Museum.

Kids Kingdom Orphanage in Imuris Sonora has been a light in that community last 11 years. In that time Arturo and Lilia Himinez have had the charge of caring for the children in the DIF system as well as families in the surrounding community. NCS has been partnering with Kids Kingdom for the last 6 years and we have built a pretty fantastic relationship. This includes this year 6 trips to the orphanage. 2 for 8th grade, 3 for HS and a day trip in December. This summer we would like to provide a VBS for the children of Kids Kingdom as well as the children living in the community
