Norman Wilder Forest: Drip Falls Hike

Sunday, April 18th @ 8:00 AM

Location: Norman Wilder Forest US-176, Tryon, NC 28782

Please wear a mask, bring water, and if you like birding bring your camera and binos! We will be following social distancing protocol.

VOLUNTEER OPPORTUNITIES

SUPPORT THE TRAILS

April 18-24 Earth Day Cleanup

Visit any of the Polk County Trails and show your love for the environment by cleaning up the community.

April 23, 30 Polk County Public Library Hike

Take a lunchtime break and join Molly on a nature walk. We will meet in the Polk County Public Library Parking Lot at Noon.

For all events please RSVP at trails@polknc.org as we are still following social distancing protocol.

Polk Trails regularly updates a [calendar](#) of outdoor events in the area. If you know of any outings, trail workdays, etc, please pass them on so we can add them!

As for the COVID-19 crisis we encourage everyone who plans on volunteering that you RSVP. This is required so that we maintain group sizes and we keep everyone safe. We are posting the status of trails as we receive updates. Most trails, if they are open, do not have public facilities that are open. If you are sick, PLEASE stay home. If a trail is crowded, please travel to a different spot so you can practice social distancing. Other trail courtesies still apply: keep dogs on leash, take your trash with you, etc. Thanks for doing your part!

The AmeriCorps Trails Coordinator works for Polk County Parks & Recreation. The position came into being through a grant from the Polk County Community Foundation. The Trails Coordinator manages trail work days, various partnerships and other trail-related initiatives in the county. E-Mail contact information for us: trails@polknc.org

Sometimes, Nature is all you need.
