

Registration for Private Music Lessons  
2020-2021

We are now registering students (in rising grades 2-12) for private music lessons.

Fees for half hour lessons will be \$20.

Mr. Thomas and Mr. Moody will not be returning in the fall due to school health and safety policies, but we are very hopeful they can return sometime later in the school year. There may be a way to continue your lessons with them outside the school setting. We will forward that information to you if you are interested.

**If you are a HS student, please remember that you may receive credit for music lessons, and that you must be sure you are taking lessons when you reply to me and fill out your elective form, as I will schedule you based on your reply.**

-----  
I would like to register my child \_\_\_\_\_ for \_\_\_\_\_ (guitar, piano, voice, violin/viola, flute or other woodwind, accordion) lessons for 2020-2021.

Second child \_\_\_\_\_ for \_\_\_\_\_.

Third child \_\_\_\_\_ for \_\_\_\_\_.
