

October 7, 2020

Dear 8th Grade Parents,

It has been a wild school ride getting to the end of our first term, but we made it!! Thank you for your patience and willingness to go the extra mile to have your kids in school, or getting them on-line when they had to quarantine. The 8th Grade Cumulative Testing Schedule is below. Teachers are only going to test on the material they have been able to cover in this unique term.

The end of the term/quarter will be October 23rd. There will be a noon dismissal that day (no After School Care provided this day). Please have your student turn in all missing assignments by October 23rd. Any outstanding assignments not turned in by the 23rd will be averaged in as a zero. There will be no school on Monday, October 26th.

The schedule is below. Please feel free to call the individual teacher or me if you have any questions or concerns.

Blessings,
Cherie Morel
ES/MS Principal
