

For Your Information

The purpose of this page is to communicate news about our church family that might be of general interest. This is not meant to be a prayer request forum. Rather, it will share a word of congratulations, a note of sympathy or brief information about a specific situation in one of our church families.

The week of March 17, 2019

*We extend sympathy to the Erickson family in the death of Sherry's daughter,
Christina Allen,
on Friday, March 15.*

Did we miss something?
Please [email the church office](#) and
we will include the information in
next week's edition.
