

## For Your Information

The purpose of this page is to communicate news about our church family that might be of general interest. This is not meant to be a prayer request forum. Rather, it will share a word of congratulations, a note of sympathy or brief information about a specific situation in one of our church families.

The week of August 5, 2018

---

We have nothing to report at this time.

---

Did we miss something?  
Please [email the church office](#) and  
we will include the information in  
next week's edition.
