Dear District 41 Community,

The Glen Ellyn School District 41 Board of Education and the American Federation of State, County and Municipal Employees (AFSCME) Local 1334 are pleased to announce that a 4-year contract retroactive to July 1, 2017 was ratified Tuesday evening at the Board of Education meeting.

The negotiating teams worked hard for 10 months to come to this agreement. Many articles were revised during the negotiations and both sides were extremely thoughtful about what would be best for the membership of AFSCME and the District overall. Thank you to both negotiating teams for the months of time and commitment to the process.

The Support Staff Collective Bargaining Agreement between Glen Ellyn School District 41 Board of Education and AFSCME will be posted on the www.d41.org prior to April 1, 2018.
