

## **ROSARY WALK WITH OUR LADY OF GUADALUPE FOR PEACE AND HEALING**

As the news was coming out that there would be protests across Long Island it was unsure that they would all be peaceful demonstrations. So, a group of faithful people took on the mission to counteract anything evil that might not be coming from God. The only way was to take out our spiritual armor to fight against these things: "For our struggle is not against flesh and blood; but against the principalities and power, against the rulers of the world of darkness, against the spirits of wickedness in the high places." Eph. 6:12

The only answer was to take out our Spiritual Weapons, the Rosary and St Joseph, Terror of Demons! Not only will the Rosary **bring peace to your personal life, but it is also a powerful tool that can stop wars and bring peace to the entire world.**

We formed a few Rosary Walks to be held through specific towns that were targeted for the protests. One Rosary walk began at St Patrick's in Huntington and walked through the town of Huntington praying. A protest was scheduled within a few days of the walk and it is believed that the power of the prayer had warded off protest. A large group gathered on June 4<sup>th</sup> at St Patrick's Church in Smithtown and prayed prayers of protection, a rosary, blessed the land with holy exorcised salt and water. We then proceeded to walk through Smithtown giving witness to Christ our LIFE, praying the Divine Mercy Chaplet and singing songs to Our Lady until we reached Planned Parenthood. At the abortion site we prayed another rosary and prayed specific prayers to protect all human life, born and unborn. We placed flowers along the fence memorializing all those who would lose their lives that day inside the facility.

The grace of the Holy Spirit was pouring out over us and a few of us were able to speak with some of the girls going in. We prayed that they would decide to choose life for their children. A young lady and her friend were so intrigued that we were outside praying and came over to the Image of Our Lady of Guadalupe and we were able to pray with them. We hold them in our prayers everyday, hoping that a seed of God's truth was planted in their hearts and souls. One of the girls shared how her grandmother was Catholic and had passed away. She said, "Oh if my grandmother could see me now she would be overjoyed that I was holding a crucifix in my hand once again." She stated she only believed in a Universal Force now but something was calling to her from the crucifix on the rosary we had given her. I pray that the Suffering and Death of our Lord Jesus on that cross which redeemed all our sins, even the sin of abortion would touch her soul and bring her back to Him.

Please continue to pray for those lost souls, who are so confused.

We are living in times of the greatest spiritual battle the world has ever known since the creation of the world. The Blessed Virgin Mary, who has been given the task by the Holy Trinity to destroy the Adversary and his minions, is working with Her army on earth to battle Satan and his diabolical forces on earth. The time for the decisive struggle has come.

She has also told us in many of her apparitions that the ***most important spiritual weapons are prayer, fasting, confession and Adoration***. The greatest prayer is the Holy Sacrifice of the Mass followed by the Holy Rosary.

“Jesus Himself has shown us by His own example that prayer and fasting are the first and most effective weapons against the forces of evil.” Pope Saint John Paul II in Evangelium Vitae (1994)
