Greetings!

I am reaching out to you as we embark on a new year blessed by the absence of Roe V. Wade in the United States. Though our country starts on new ground, much devastation exists in the hearts of mothers, fathers, siblings and grandparents, while our youth are still losing their Innocence due to the affects of legalized abortion. Also, now that Roe V. Wade was found to be Unconstitutional, the work begins in New York State on a different level. Many individual prolife groups across New York State realize that the only way to move forward in establishing the Culture of Life here, is to work together. New York State in particular, must not be lost from the Union for New York carries much influence to the rest of the Nation in both the spiritually negative and in the spiritually positive ways.

This letter comes to you as an urgent plea to join all of us in the prolife walk called the **2023 International Gift of Life Walk-NYC** in Downtown Manhattan's Foley Square. We are always divinely called to witness to the great worth and dignity of the human person. In doing so we honor Our Creator. As we walk down Broadway, we also walk down the "Canyon of Heroes". All those who witness with us are Heroes for Life!

Eight years ago, inspired by the words of Pope Saint John Paul II, Personhood Education NY, Inc. had decided to follow his cue. In fact, the [Vatican.va](#) page titled "The Day of the Unborn Child" promoting the Annunciation feast, March 25th, as "The Day of the Unborn Child" notes that when the movement began in Argentina the official 1999 proclamation was made in the presence of representatives from the Orthodox, Anglican, Evangelical, Jewish, and Muslim faiths. Likewise, the date of the Annunciation as "Day of the Unborn Child" can be honored by those of no particular faith tradition who advocate the right to life for secular philosophical reasons. Pope Saint John Paul II announced, "I propose a "Day for Life" be celebrated each year in every country, as already established by some Episcopal Conferences. The celebration of this Day should be planned and carried out with the active participation of all sectors of the local Church." And so it was Pope Saint John II who guided us in celebrating the day to make awareness to the dignity of the unborn child,

Just as Pope Saint John Paul II encouraged us, we are encouraging our Pastors, Churches and Schools, in the spirit of Pope Saint John Paul II, to participate.

Please find all the information concerning this Walk in the enclosed Flyer.

Thank you for your time in reading this message.

May God Bless You!

Most Sincerely,
Dawn Eskew
President, Founder, Personhood Education New York, Inc.
