NATIONAL NIGHT OF PRAYER FOR LIFE

We had a very prayerful, peaceful and beautiful Night for Life here at Notre Dame in New Hyde Park. We had the Blessed Sacrament exposed to start off by Deacon Tom Lemme.

We then had a small prayer service lead by our Respect Life Group. The Magnificat With Mary written by the Sisters of Life was read by an 8th grader at our parish school, the Litany of Trust read by a boy scout from our parish sponsored Troop 544 and the Rachel Rosary again lead by members of our Respect Life Group.

For the hour of unity we prayed the joyous, luminous and glorious mysteries of the LIFE rosary lead by members of our Rosary Society and the Legion of Mary. In between prayer times, we played Marian hymns from a CD and had silent periods as well. We also had an intentions box set up before our Lady for private intentions.

Overall, it was an amazing, uplifting experience for us all in honor of our Blessed Mother. We know our prayers were united and heard that night. Let us continue to pray to Our Mother for her loving intercession and protection.

God bless us all,

Mary Ann Wolert-Zaromatidis
Respect Life Leader
Notre Dame Church, New Hyde Park
