## Running for the Sanctity of Life!!

Here on Long Island!

I have been a member of LifeRunners for about 7 years now, and currently building up the **Long Island Chapter** membership. What attracts me to LifeRunners is the focus on "team" and how we can all work together in both prayer and action to bring awareness in the public square to the Sanctity of Life, through Jesus Christ.

LifeRunners seems to attract both young and old, and while you don't necessarily need to be a runner or marathoner (for example I myself "walk" in all the events), it does give each member of the team the opportunity to actively wear the LifeRunners gear outdoors, together in a group, or individually as you go for your morning walk/jog.

It is great to plan and participate in events, or just simply to meet together once a month in prayer and dedication to bring about an end to abortion in this country and around the world.

There are also a lot of synergies between LifeRunners, 40 Days for Life, Students for Life, etc. Each of these are founded and run by very enthusiastic and passionate leaders, who have families and children of their own. They come with their own unique stories of how Christ has led them to the task of proclaiming the Truth and Sanctity of Life through these wonderful organizations.

I encourage everyone to checkout LifeRunners at <http://www.LifeRunners.org> (or any of these pro-life organizations), and become an active member, and share in the worthwhile experience of community, camaraderie, and teamwork, working together through Christ towards making abortion unthinkable.

God bless!
