El Guapo Corn Husks: The demand for El Guapo Corn Husks has exceeded our forecast since October 2024, and this increased demand has continued. To ensure we have adequate stock for the holiday season, the following two items are on allocation. Recovery expected late 2025.

| Material Code | Item | Status |
|---------------|--------------------------------|------------|
| 901215528 | EG CORN HUSKS ENCONCH 24/16 OZ | Allocation |
| 661213 | EG CORN HUSK ENCONCH 12/8 OZ | Allocation |

McCormick Gourmet: McCormick Gourmet has experienced increased demand and delays in receiving raw materials. As a result, additional products have been added to the allocation/suspension list. Recovery timelines depend on raw material availability.

| Case UPC | Item | Status |
|------------|--|------------|
| 5210003528 | GOURMET PEPPER BLACK CRK ORG 36/1.37 OZ | SUSPENDED |

| 5210000335 | GOURMET CORIANDER SEED ORG 36/.87 OZ | SUSPENDED |

McCormick Red Cap P2: The demand for McCormick Red Cap Spices and Limited Time Offers (salts & sugars) in the P2 size continues to be high. To address customers' needs, McCormick increased production internally and through co-packers as well as reduced safety stock levels. Although these measures have enhanced

production capacity, demand remains high, and packaging components are still limited. Recovery expected Q4 2025.
