MARKET WITHDRAWAL NOTICE – GOURMET CORIANDER SEED 0.87 OZ

Maryland Logistics Center, Sparrows Point, MD has identified a quality concern with MCCORMICK GOURMET ORGANIC CORIANDER SEED 0.87 OZ (Item #900335). The affected product includes the following **Best By Date: JUN 26, 2029**. Please find additional details on the product and Best By Date location on the package in Attachment A.

As a result, McCormick & Company, Inc., is initiating a voluntary market withdrawal of the listed product from all warehouse and retail locations. This action is being taken because the product does not meet McCormick's internal quality standards.

Please note that only product with the bolded Best Before date listed below is affected.
The product subject to this market withdrawal is:

NAME OF PRODUCT AND PACK SIZE: MCCORMICK GOURMET ORGANIC CORIANDER SEED 0.87 OZ

UPC NUMBER ON BOTTLE: 052100003351

MCCORMICK ITEM NUMBER: 900335

SCC NUMBER ON CASE: 10052100003358

AFFECTED BEST BY DATES:

- **JUN 26, 2029**

SHIPPING DATES: July 25, 2025, to September 15, 2025

McCormick's investigation indicates a risk of infestation, specifically stored grain pest beetles. Please dispose of affected inventory in warehouses and remove the following from store shelves: MCCORMICK GOURMET ORGANIC CORIANDER SEED 0.87 OZ **BBD: JUN 26, 2029**. Please ensure storage, transportation, and disposal are conducted in accordance with control measures suitable for a risk of insect infestation, specifically stored grain pest beetles. We have provided additional detail on handling this product below the signature line.

Please provide the withdrawal action form provided at Attachment B and send it to mailbox Americas_Food_Safety@mccormick.com **within 5 business days.**

Contact Ann-Marie Winters (417) 773-7700 with any questions regarding this letter and contact your normal customer service representative to coordinate your resupply of affected items.

Thank you for your cooperation.

Sincerely,

Ann-Marie Winters

McCORMICK & COMPANY, INC. 24 SCHILLING RD, SUITE 1, HUNT VALLEY, MD 21031, UNITED STATES, (410) 527-6000 FAX (410) 527-6267

Please follow the steps below to ensure this issue is dealt with properly:

- Immediately notify your network and request that they examine their stock of remaining product for the affected material.
- Immediately quarantine all warehouse inventory of affected material and remove all inventory from store shelves. Affected materials from inventory may be disposed of immediately. Damaged or opened packages should be quarantined and sealed to prevent cross-contamination.
- Please ensure storage, transportation, and disposal of affected material are conducted in accordance with control measures suitable for a risk of insect infestation –specifically cigarette beetles – and are compliant with applicable federal, provincial/territorial, and municipal waste disposal requirements, including the prevention of environment contamination.
- When submitting for reimbursement, use authorization code: **RC10202025**
- For questions concerning authorized deductions or payment information for all defective product, please contact your McCormick Sales Representative.
