

**TIME SENSITIVE & IMPORTANT NOTICE**  
**FABULOSO® MULTI-PURPOSE CLEANER**

Date: January 30, 2023

Attention: **Colgate-Palmolive Company customers who purchased certain lots of  
Fabuloso Multi-Purpose Cleaner**

Colgate-Palmolive Company is sending you this Notice because our records indicate you purchased product from one or more lots of the Fabuloso Multi-Purpose Cleaner variants listed in **Appendix A** (“Fabuloso” or “Impacted Product”). Colgate identified that the preservative in the Fabuloso formulation was not added at the intended levels during the manufacturing of certain lots of the product from December 14, 2022 through January 23, 2023. Colgate is not aware of any adverse events related to the Impacted Product.

**We are requesting that you segregate and not sell any remaining inventory of the Impacted Product. We ask that you not take further action with respect to the Impacted Product at this time.** Colgate has already notified the relevant regulatory authorities of this matter, and we will be sending you a follow-up communication with additional information as soon as possible. We anticipate that we will request the return or disposal of the Impacted Product as part of a voluntary recall of the Impacted Product, and if so, we will provide directions for such return or disposal.

**The Notice applies only to the Fabuloso lots that are associated with the 20 items (UPCs) listed in Appendix A and does NOT impact any other Fabuloso products.** This Notice does not apply to Fabuloso Antibacterial products.

To identify the Impacted Product, look for items listed in **Appendix A** and then look for the 8 digit lot codes on the shipping cases and bottles to see if they match the lot codes in **Appendix A**. The lot code starts with 4 digits followed by US78. The lot code is located on the back of the bottle above the label either directly above or towards the top of the bottle (see example images in **Appendix B**). For the shipping cases, the lot code is located in proximity to the product brand name adjacent to the barcode (see an example image in **Appendix C**).

**We ask that you please segregate and not sell any remaining inventory of the Impacted Product. We ask that you not take further action with respect to the Impacted Product at this time.**

Please confirm receipt of this Notice by email response.

Thank you in advance. We appreciate your patience as we work through this issue, and we will send a follow-up communication as soon as possible.
