PRE ARRIVAL SCREENING
Required for camp attendance

Login to your CampInTouch account where you fill out your camp forms and manage your financial information. Scroll down to the Forms Dashboard.

You will see some new forms. Please make sure of anything that says “Required” has been completed, such as your Health History, Letter to my Counselor or Camper Profile. Click on the Pre-Arrival Screening.

If your child has been vaccinated, you should complete the top part of the form with the vaccine manufacturer, and dose dates. Even if you have already uploaded your vaccine card, you will still need to fill out the manufacturer information and shot dates.

You will need to upload your testing document and click submit.

Important Note: The results documents must be uploaded to this site. Do not email, fax or mail it as it may not be read by the results deadline which is the night before camp at 11:59pm Central Standard.
