

STEWARDSHIP AT INCARNATE WORD
THINK GENEROUSLY.
PRACTICE GENEROSITY.
AND DO SO COURAGEOUSLY.

Congregational Mini-Retreat: In the City for Good

When: Saturday Sept 21, 2019

Time: 9 AM – 12 PM

Place: Incarnate Word Auditorium

Special Guest Speaker: Pastor David Gerhardt

The Stewardship Gatherings held as part of the Stewardship appeal this past year generated great ideas, and revealed many of your hopes and dreams for the future of Incarnate Word. Many attendees raised an important question: **how will these ideas be put into action?**

In response to this question, the Stewardship Team invites everyone at Incarnate Word to participate in a Congregational Mini-Retreat on **Saturday September 21** as we continue to work at growing and sustaining the ministries of Incarnate Word. The outcomes from the Stewardship Gatherings will be used as a springboard for these discussions.

We invite you to come, listen, and add your voice to the conversation: How are we to be stewards of our God-given resources to strengthen our presence here in the city of Rochester? How to grow the Incarnate Word community and create a sustainable future at Incarnate Word? Coming out of this retreat, we hope to have the beginnings of action plans to move our current ministries to new levels.

We will be joined by Pastor David Gerhardt, retired pastor from Trinity Emmanuel Lutheran Church. Pastor Gerhardt will begin the retreat by establishing the Biblical foundation for our discussions before we move into the 'nuts and bolts' of dreaming and planning for Incarnate Word's future.

A light breakfast with beverages will be provided.

Sign-ups for the Congregational Retreat will be available in the Southwest Narthex.

Please consider joining us Saturday morning!
