BOBB AND CHERYL BIEHL

After reading his copy of DECADE by DECADE, Dr. Samuel Stephens of India recognized the value of providing his fellow citizens with the opportunity to gain insight into their personal decades and the perspectives of their colleagues' decades. He approached author Bobb Biehl to explore the possibility of collaborating with the Seed Planting Team and Heritage Printers of India to translate, print, and distribute DECADE by DECADE throughout South Asia. An agreement was reached and a partnership established. DECADE by DEACDE is now published in the India languages of Tamil and Hindi and will soon be available in nine different languages in South Asia.
