Features and benefits include guaranteed coverage for a lifetime (as long as premiums are paid) and guaranteed cash value.

Simplified Senior Life Insurance offers up to \$100,000 in coverage to clients, age 50 to 80 years old, who want to add to the coverage they already have, or buy their first life insurance policy. Helping your clients find peace of mind — it's just another way to be the hero your clients depend on.

1. WHY SHOULD MY CLIENTS CONSIDER APPLYING FOR A GERBER LIFE SIMPLIFIED SENIOR LIFE INSURANCE PLAN?

Simplified Senior Life provides a death benefit, premiums and cash value that are guaranteed, so your clients can take comfort in knowing they've got a plan in place to protect themselves and their families!¹

With Simplified Senior Life, your clients can apply for \$25,000 up to \$100,000 in life insurance coverage. It gives life insurance buyers (age 50–80) a way to buy their first life insurance policy, or supplement an existing policy that may not be enough. It can help pay funeral costs and final expenses, and make certain no one inherits all of your clients' debt. There is no required medical exam for applicants age 70 and under (simplified underwriting). Most applicants who qualify for simplified underwriting (age 70 and under) and submit a digital or telephone application, will receive a decision within a minute.² Note: A medical exam and full underwriting are required for applicants age 71 to 80 who apply for coverage.

2. IS THE INSURANCE PROTECTION LIFELONG FOR MY CLIENTS?

Yes. If your clients are U.S. Citizens or permanent legal residents, between the ages of 50 and 80 years old, they can apply for life insurance coverage. If approved, the coverage they obtain will last an entire lifetime, as long as premiums are paid!¹

3. WILL MY CLIENTS' PREMIUM PAYMENTS EVER INCREASE?

No. For Simplified Senior Life, your clients' premiums are guaranteed not to increase for the life of the policy, which is an important feature if your clients are on a budget and looking to manage their out-of-pocket expenses!¹

¹ Policy will remain in force and premiums are guaranteed not to increase as long as payments are made on time and within the Grace Period specified in the policy.

² Gerber Life will search databases for prescription history, motor vehicle records and medical information in order to provide an almost instant decision (within a minute) for most of the digital and telephone applications submitted from individuals age 70 and under.
