

5TH ANNUAL H2O HACKATHON

March 21, 2020

Calling all Middle School, High School & College Students and Teachers

In honor of the 5th year anniversary of the H2O Hackathon, we are teaming up with the San Francisco Estuary Institute and the State Water Resources Control Board to work on the development of an essential app for the protection of the San Francisco Bay-Delta estuary.

REGISTRATION OPENS 1 NOV. 2019

THOUSANDS IN CASH PRIZES
