SCHOLARSHIP INFORMATION

It is the policy of the Town of Cornelius PARC Department to provide recreational opportunities to all residents of Cornelius. In order to provide all residents with these opportunities, the Town of Cornelius offers financial assistance to youth participants meeting the guidelines listed in this document. The number of scholarships is limited, depending on the space available, and will be given on a first-come/first-served basis.

Camp scholarships are available to residents of Cornelius only. Generally, scholarships are offered for approximately ten percent (10%) of the spaces available. PARC staff will determine the number of scholarships that are available for each program. After the allotment of spaces has been filled, PARC staff will consider all applications on a case-by-case basis.

All residents will be required to pay a portion of the fee for each program. Full scholarships are not available through the Town of Cornelius for any PARC activity. If a child qualifies for reduced price meals through the public school lunch program, they may be eligible for assistance of up to fifty (50%) of the published fee. If a child qualifies for free meals through the public school lunch program, they may be eligible for assistance of up to seventy-five (75%) of the published fee. Applicants will be required to provide proof of eligibility for financial assistance.

REFUND POLICY

In the event that a child cannot participate in a camp session in which he/she has registered, a 90% refund will be issued when requested by May 31, 2019. Beginning June 1, 2019, any cancellations made at least two weeks prior to the start of the registered camp week, will receive a 75% refund. If less than two weeks advance notice is given, a 50% refund will be issued.

Once a camp has begun, no refund will be given. Please allow up to 30 days for refund processing. Additionally, if a child wishes to transfer from a camp in which he/she has registered to another available camp, a minimum of seven (7) days advance notice is required.

MISCELLANEOUS

All campers will receive one t-shirt for each category of camp, per summer.

PARC strives to offer a minimum camper to instructor ratio of 10:1. Camp minimum enrollments must be met in order to hold each camp. Camp dates, instructors, times or locations are subject to change with limited notice. If a camp is cancelled by staff, another camp or a full refund will be offered. All camp registrations will be accepted on a first-come/first-served basis. The Town of Cornelius, as well as the camp instructors or location hosts, are not responsible for any lost or stolen personal items brought to camp.
