

SeeKids Dream 2017 POWER OF THE PENNY

Please join See Kids Dream and leaders from around our community on Thursday, May 18th at The Verne Riffe Center, 77 S High St, Columbus, OH 43215, to recognize and celebrate the year-long accomplishments of students who have led philanthropy and service projects within their communities. Through table top displays and discussion, students will share their service learning projects and explain how and why they addressed the community issues they chose to help as well as share what they learned through the process. **If you are available to volunteer on Thursday, May 18th for part of or for the entire event, please contact Cynthia Armstrong at carmstrong@seekidsdream.org or 614-429-3244 or signup at <https://goo.gl/forms/RadYEReWSeSb9lGE2>. Thanks so much.**
