## Annual Appeal

We rely on support from our community to create spaces that ignite curiosity and provide room to learn and grow. We hope that you will consider supporting the library during our annual appeal. Your donation is tax-deductible and will directly impact programs and materials provided at your libraries right here in Franklin County!

### Thank YOU!

The library depends on funding from Franklin County residents, with the average home paying less than \$25 in library tax per year. For the cost of one hardcover book, you get library services all year!

### Many thanks to our appeal sponsor!

We greatly appreciate Patriot Federal Credit Union for once again sponsoring our annual appeal.

Based on the author's childhood experience, this book about the wonder of a winter storm is as delicious as a mug of hot cocoa by the fire on a snowy day.

The creaky smuggler's inn is always quiet during winter, but on the first icy night of vacation, out of nowhere, the guest bell rings. Then rings again. And again...
