

JOIN US FOR THE
**2021 DC Early
Educator Experience**

FRIDAY, APRIL 30, 2021 / WASHINGTON, DC

Join us for a day to celebrate some of the most valuable professionals in our city. To conclude **Month of the Young Child** in April, our hosts and sponsors are bringing you the **2021 DC Early Educator Experience**. This exciting new event connects early childhood educators who work in the District of Columbia for a full day of learning, networking, advocacy and celebration.

You spend your days serving young children and families — but April 30 is all about you. We're inviting all early learning practitioners, teachers, assistant teachers, paraprofessionals, administrators, directors and principals to this party. You won't want to miss it!

BY PARTICIPATING, YOU WILL:

- Earn professional development "clock hours" and learn new practices
- Practice advocacy skills and be heard
- Expand your professional network
- Celebrate yourself and your fellow early childhood educators
- Win surprise giveaways

The 2021 DC Early Educator Experience will be held via an interactive online platform. We hope to see you in person in 2022, but this year, we're virtual. Once you register, you will receive detailed information about how to join us and take advantage of everything this year's event has to offer. You can join on your computer, tablet or mobile phone.

→ **Save the date!**

Online registration begins in early March. In the meantime, visit dclearlyedx.org to learn more. This event is free to all participants. This year's registration fee is waived, thanks to donations from event hosts and sponsors.
