

Lisa Duffner joins Illinois Premier as our Communications Director. She has previously been assisting Baseball Institute with special projects over the last several years. She brings extensive baseball experience to our organization having served as a board member or significant contributor for over 20 years for various suburban baseball organizations in and around the Chicagoland Area, including Romeoville Pony Baseball, Romeoville Rattlers (founder), and Will County Elite Baseball (founder). Furthermore, Lisa served as a Division Director for the I-80 Travel League (now called the Illinois Travel Baseball League) and was responsible for overseeing travel play for over 40 regional travel teams under her direction from 2008-2011.

Lisa is a graduate of Purdue University in Lafayette, Indiana and is currently employed as a Project Director for Pulmonary and Critical Care Medicine Research with the Chicago Association for Research and Education in Science based in Maywood, Illinois. She lives in Plainfield and is mother to two sons Kyle and Jordan. Jordan is currently a senior at Roosevelt University and is a member of the Roosevelt Lakers Baseball Team.
