

2020 SUMMER ONLINE GROUPS

Our social learning groups are interactive, educational and fun! All summer groups will meet via Zoom. The last 15 minutes of every group are for parent talk time. This is when we teach you the concepts and strategies worked on during the group.

Not sure which program is best for your child? Reach out to us at 858-558-9552 or email Janet Dudley at janet@socialcommunicationspecialists.com

Let's Get Crafty! - Grades 3 - 6 (Girls AND Boys will enjoy this group!)

Students will have fun making a variety of craft projects while learning and practicing executive functioning and social communication skills. Kids will learn to be “future thinkers” and use the “get ready - do - done” framework (which works great for homework too!) They will also learn and practice conversational skills including asking questions to find out about others, making comments and giving compliments.

THE BEST PART? We provide the kits! Craft kits will be mailed to your home so you have all the materials. You only need to have basic supplies such as glue and scissors. Craft projects will be appropriate for the age of the students in each group.

Details: 90 minutes, 1x week for 6 weeks

Movie Time Social Learning - Grades 3-8

Using movies to teach social understanding to children is an engaging, recreational and fun approach to social learning. This therapeutic program involves watching and discussing carefully selected children's movies. After watching scenes from these movies, children will explore and dissect social relationships, identify and interpret nonverbal cues, discuss the characters' perspectives and identify thoughts and feelings. There are lots of opportunities to pause and learn in the Movie Time Social Learning group - real life does not offer this and there is only one take!

Details: 7/6 - 7/30 M/W - 60 minutes, 2x week for 4 weeks
3:00-4:00 or 4:30-5:30

Cost: \$500.00

Team Builders - Grades 6 - 8 & 9 - 12 (students grouped with similar grade peers)

IMPORTANT DETAILS

Who is a good fit for our program?

Our approach to social learning is heavily language based. Children we work with have average to above-average language skills and are able to attend to a task relatively independently.

SCS is not able to serve students who require significant support, have behavioral outbursts, or are not able to communicate their needs verbally. We do not have the environment or staff to support these students in a safe manner.

CONSULTATION

A free 30 minute consultation will be scheduled via Zoom if your child is new to our clinic.

POLICIES

Payment & Cancellation/Change Fees

A deposit of \$250.00 is due along with the completed registration form. This deposit is applied towards your child's balance for the summer session(s). If we are not able to place your child in an appropriate group, the full deposit will be refunded.

We understand that unforeseen circumstances may occur and occasionally, cancelling your enrollment cannot be helped. However, due to the complexities of scheduling appropriate groups, cancellation fees will be taken from your deposit as follows:

- \$50.00 administrative fee for each cancelled session between when you register and the start of the program (date varies depending on group start date).
- After the group start date the entire deposit is non-refundable.
- \$25.00 change fee if you change your child's availability after submitting the registration form.

Payment Policy

Payment for the summer session is due in full by the first day of your child's group session. You will receive an invoice indicating your balance due. SCS accepts checks and all major credit cards.

Absences Policy

There are **NO** excused absences in the summer. Families planning vacations must understand that by signing up for a summer session, you are committing to pay for the entire session/program even if your child is not able to attend all of the dates.
