

Dear Parents,

Would you like to attend an enjoyable evening filled with a delicious dinner, and amazing music all to support our students here at Vanguard? What good news we have for you! **Saturday, November 8, 2025, at 5:30 pm** the Vanguard travellers invite you to their annual **Spaghetti Supper** fundraiser.

This evening consists of a delicious meal including salad, a good portion of spaghetti with meat sauce (vegetarian option also available), bread, and, of course, coffee and dessert. We will also have a bar on site; therefore it will be possible for you to buy wine and beer (however it is impossible for you to bring your own alcohol).

As per usual, our annual spaghetti supper also includes a silent auction with a variety of very interesting prizes. Come and see for yourself, you will not be disappointed!

More Information on the 2026 Trip

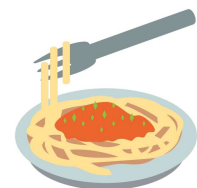

This year, the trip involves helping communities in Benin through physical work (usually construction) and animating activities for children in the community. This is an incredible experience that your child will also have the opportunity to participate in when they are in the second cycle. To finance this project, students must participate in several fundraisers. This particular fundraiser is the only one that will be shared between all the students and is also the only one where you can see all the travellers in action, working together to ensure you have a memorable evening.
