Subject: Individual Parent-Teacher Meetings

Dear Parents of the Elementary School,

We are pleased to invite you to individual parent-teacher meetings to review the first few months of the school year and revise your child's IEP (Individualized Education Plan). The meetings are scheduled for November 19 and 20 and will last 40 minutes.

Classroom teachers will email you on November 5 at 7:00 a.m. with a link to the Google Calendar. You will then be able to choose a time slot that works for you from the options provided.

If you would like to meet with specialist teachers (second language, arts, physical education), please email them directly to arrange a meeting time during your visit to the school. The exact procedure for contacting specialists will also be indicated in the homeroom teacher's email.

We look forward to welcoming you to your school!
