BACK TO SCHOOL - ELEMENTARY

Dear Parents,
Dear Precious Collaborators,

We are delighted to share helpful information to assist you in preparing your child for the start of the school year. This year, the theme ***All Aboard*** will inspire some of our activities and capture the imagination of our children.  More than just a theme, ***All Aboard*** aims to further strengthen school-family collaboration and provide a dedicated space for the development of personal and social skills. Stay tuned for more this year!

Schedule and agenda for the Back-to-School Day (August 28, 2026)

- **We look forward to welcoming your child for the start of the 2026 school year at 7:45 a.m. on August 28.** Given the high volume of students expected during the first few days of school, the simultaneous start of the school year for elementary and high school students, the lack of parking, and roadwork on Highway 520 and its service road, we strongly recommend that students be transported by school bus service on the first day of school. Parents who absolutely must accompany their child may do so despite our recommendation, but they must plan their trip accordingly to ensure their child arrives on time. Please also note that once students enter the school with their teacher, parents must leave the premises and will not be able to accompany the students inside.
- All students will be greeted by our staff members in the schoolyard. They will be grouped by class and then directed inside the school. This will be an opportunity for us to confirm your child's assigned entry point for the coming year.

- This email contains the color of your child's hallway. This color corresponds to the door they should go to every day.
- A delicious snack will be offered exclusively on August 28th to all elementary school students to help them start the day off right. Students will have a moment to eat in their classrooms with their teachers. Please provide a good snack for your child. Students will have time to eat at school.
- If you haven't already done so, you can register your child for the school year at the daycare by contacting the person in charge (sdg@vanguardquebec.qc.ca).
- In the afternoon, a special activity will be organized in the schoolyard with BARATANGA and their [BaraTelier](#). There is an undeniable connection between **All Aboard** which evokes travel, crew, and collaboration, and the collective percussion workshop, which relies entirely on synchronization, mutual listening, and everyone's contribution to stay on course. For our annual journey to be a success, we must find our cruising speed together.
- We would like to know how your child returns home during the first few days of school. Please complete the following form: [Mode of transport](#)

Yellow hallway	Green hallway	Blue hallway
Daycare door – elementary school yard	Elementary school yard door – with vinyl roof	Main entrance door – in front of the school

Schedule and agenda for the first days (starting August 31, 2026)

- As of Tuesday, August 31, outside supervision starts at **7:45 am**. Elementary school students will enter the school from **7:55 am** and will be directed to their classrooms.
- **The first period starts at 8 am.**
- **Students dismiss at the end of the day at 2:40 pm.**
- There will be 2 recess periods (am and pm), so please provide 2 snacks.
- There will be a lunch break, your child should have a cold lunch or one that can be heated. Cafeteria service will be available later in the year. Details to come shortly.
- Traffic in front of the school and on Isabey Street is often heavy during these first days. You will have to be patient if you come to pick up your child and especially vigilant to ensure everyone's safety.
- The regular schedule for specialist courses (art, second language and physical education) will begin on August 31. Teachers will give you all the necessary information at the beginning of the year.
