**Subject: Tubing outing to pays d'en haut**

Dear Parents / Legal Guardian,

To celebrate the joys of winter, all students from Vanguard Elementary School will go sliding on Tuesday, February 24th at the Glissades du Domaine des pays d'en haut in Piedmont.

To ensure the success of this day, here is some additional information:

- Your child will spend most of the day outside, therefore, make sure they are adequately dressed: a complete snow outfit (boots, hat, snow pants, mittens), as well as an extra pair of mittens and socks.
- Your child must have a cold lunch because we will not have access to microwaves. Furthermore, it will not be possible to use the canteen, so your child cannot bring cash.
- This is a school outing. All staff members will be on site to supervise the students, therefore, we do not need parent volunteers for this activity.
- The usual schedule will be maintained. Students should leave school around 8:45 a.m. and will be back in time to catch their usual transportation at the end of the day.

**The cost of this outing is \$70.00.** Payment is made via the portal: <https://www.vanguardquebec.qc.ca/> in the «portals section» and in the section « parents and students' portal». You enter your username and password. You go to the Activities section and to the school outings section and you follow the instructions until payment. **The deadline to register: February 13!!**

It will be a great day!
