## **BACK TO SCHOOL - HIGH SCHOOL**

Dear Parents,

We are delighted to share helpful information to assist you in preparing your child for the start of the school year.

### **Schedule and agenda for the Back-to-School Day (August 28th, 2026)**

- **We look forward to welcoming your child for the start of the 2026 school year at 7:30 a.m. on August 28.** Given the high volume of students expected during the first few days of school, the simultaneous start of the school year for elementary and high school students, the lack of parking, and roadwork on Highway 520 and its service road, we strongly recommend that students be transported by school bus service or public transportation on the first day of school. Parents who absolutely must accompany their child may do so despite our recommendation, but they must plan their trip accordingly to ensure their child arrives on time. Please also note that once students enter the school with their teacher, parents must leave the premises and will not be able to accompany the students inside.
- All students will be greeted by our staff members in the schoolyard.
- There will be no cafeteria service. Therefore, a lunch is required. Please note that microwaves are available.

### **Schedule and agenda for the first days (starting August 31, 2026)**

- Students can enter the school as of **7:30 am**
- **The first period starts at 8:05 am.**
- **Students are dismissed at the end of the day at 2:45 pm.**
- There will be 1 recess period (am).
- There will be a lunch break. Cafeteria service will be available starting September 9. Details to come shortly.
- Traffic in front of the school and on Isabey Street is often heavy during these first days. You will have to be patient if you come to pick up your child and especially vigilant to ensure everyone's safety.

## Reminder to start the school year on the right foot!
