

New mobile application – COBA Portal

Good news! The **COBA Campus** mobile application is now available on **Android** and **iOS**. It allows you to:

- Check your child's **schedule** and **classes**;
- **Report an absence**;
- Receive **notifications from the school**.

👉 Please note: the application **does not replace** the web portal. Some features, such as viewing report cards, are not yet available via the app. New **features** will be available soon, such as access to the portal's messaging system.

How to get it and log in:

On Android (Google Play Store)

1. Download *COBA Campus* from the Play Store
2. Open the app and select:
 - *Elementary/Secondary Level*
 - *Vanguard School*
3. Tap **Next** → **Log in**
4. Enter your **username** and **password** (the same as for the web portal).

On iOS (App Store)

1. Search for *COBA Campus* in the App Store and install it.
2. Open the application and select:
 - *Primary/Secondary Level* → OK
 - *Vanguard School* → OK
3. Tap **Next** → **Log in**
4. Enter your **username** and **password** (the same as for the web portal).
