BOARD OF DIRECTORS

What is your vision for the future of Victoria Park? Please describe how your leadership skills can assist the Association in accomplishing this goal:

My vision for the future of Victoria Park is to continue to be a premier community of Deland where each resident is treated fairly and respectfully by both neighbors and the community association alike. My definition of neighbors stretches beyond those within the defined boundaries of our Victoria Park community and into the surrounding areas. We all likely realize the tremendous growth surrounding our community and our shared goal should be for Victoria Park to have a voice in the way surrounding growth is planned and executed.

The ability to facilitate this vision and accomplish the goal of inclusion or voice is founded on my many years as a Chief Financial Officer or Chief Operating Officer within organizations that have been comprised of diverse groups of stakeholders.
